- 
- A woman with blonde hair is lying down, her eyes closed, receiving a facial treatment. A hand is holding a white handheld device with a black applicator tip, which is positioned near her forehead. The device has two buttons and a small green light on its handle. A large teal circle is overlaid on the left side of the image, containing a list of benefits. The woman is wearing a white tank top.
- Oxygenation generation from within
 - Improves skin tone & texture
 - Visible results from the first treatment
 - Prepares the skin for optimal absorption of revitalizing nutrients
